Subject: Student Safety Reporting

Indiana's Student Safety Reporting Law (IC 20-34-6-1) requires school corporations to report student bullying and arrest data for each school to the Indiana Department of Education (IDOE). The collection period will open April 8 and submissions must be made by June 19. Submissions for arrest, bullying, and gang data are now included on the DOE-ES Report (discipline report) via the STN application center data transfer function. Questions related to the submission of the data can be directed to the STN administrator for your school corporation. More information can be found on IDOE's website: <https://www.doe.in.gov/safety/student-safetybullying-reporting>.

Additionally, Indiana Code 20-34-6-1 requires each school corporation to submit data to IDOE related to law enforcement presence in schools. To complete this data collection, please use this link: <https://form.jotform.com/200064990787968>. This data collection is open now, and will close on June 19.
